FOR IMMEDIATE RELEASE

Nightly Closures for I-5 Repaving Project

Lake Hughes Road to Vista Del Lago Road

Castaic — The California Department of Transportation (Caltrans) will close lanes of the Golden State Freeway (I-5) in north Los Angeles County as part of a \$26 million repaving project between Lake Hughes Road in Castaic and Vista Del Lago Road. These are primarily night closures; lanes will be open to traffic during the day. The schedule below will be in effect through May 2012. Closures are subject to change. Detours will be signed.

Northbound I-5

Up to two lanes

- Monday through Thursday - 6 p.m. to 11 p.m. and 6 a.m. to 10 a.m.
- Friday - 10 p.m. to 11 p.m. and 6 a.m. to 7 a.m. (Saturday morning)
- Saturday - 4 p.m. to 11 p.m. and 6 a.m. to 8 a.m. (Sunday morning)
- Sunday - 10 p.m. to midnight and 6 a.m. to 8 a.m. (Monday morning)

Up to three lanes

- Monday through Thursday - 11 p.m. to 6 a.m.
- Friday - 11 p.m. to 6 a.m. (Saturday morning)
- Saturday - 11 p.m. to 6 a.m. (Sunday morning)
- Sunday - midnight to 6 a.m. (Monday morning)

Southbound I-5

Up to two lanes

- Monday through Thursday - 8 p.m. to 11 p.m. and 6 a.m. to 11 a.m.
- Friday - 10 p.m. to midnight and 7 a.m. to 9 a.m. (Saturday morning)
- Saturday - 7 p.m. to 11 p.m. and 8 a.m. to 9 a.m. (Sunday morning)
- Sunday - 11 p.m. to midnight and 6 a.m. to 10 a.m. (Monday morning)

Up to three lanes

- Monday through Thursday - 11 p.m. to 6 a.m.
- Friday - midnight to 7 a.m. (Saturday morning)
- Saturday - 11 p.m. to 8 a.m. (Sunday morning)
- Sunday - midnight to 6 a.m. (Monday morning)

- more -

About the Project

This project is placing rubberized asphalt concrete on the lanes, shoulders and ramps on the of I-5 in both directions from Lake Hughes Road in Castaic to Vista Del Lago Road, a distance of about 14 miles. It is also replacing traffic loop detectors, constructing curb ramps to meet American with Disabilities Act requirements, adjusting inlets to grade, adding two traffic cameras, and replacing damaged slabs with rapid strength concrete. The project began in July 2011 and will be completed in mid-2012.

The project will extend the life of the pavement, reduce maintenance costs and closures, and provide a smoother ride for motorists.

Please be sure to slow for the cone zone and move over one lane when you see amber lights flashing in a construction zone.

For more information, visit www.I-5info.com or call (855) 454-6335.
