

Caltrans Traffic Advisory

SOUTHBOUND I-5 TEMPORARY BYPASS LANE

SLOW FOR THE CONE ZONE CALTRANS

I-5 Improvement Project – Vista Del Lago Road to Kern County Line

October 31, 2013

WHAT

SCHEDULE UPDATE: A temporary bypass lane has been implemented on southbound I-5 between SR-138 and one mile south of Vista Del Lago Road through **November 22**, 2013 while crews pave the two right lanes and shoulder of southbound I-5.

Bypass Lane Configuration: The inside lane of northbound I-5 has temporarily become a southbound lane *at all times* between SR-138 and one mile south of Vista Del Lago Road. Southbound motorists using the bypass lane will be driving to the left of the existing median and **should prepare to shift to the bypass lane as they near SR-138**. A temporary concrete barrier separates the northbound and southbound lanes. (See diagram below.)

This configuration allows three traffic lanes in each direction to remain open while work is underway on the two outside southbound lanes and shoulder and will reduce the duration of the project.

You may hear construction noise during the closure, but it will not exceed levels allowed by state and federal regulations.

WHERE

Southbound I-5 between SR-138 and Vista Del Lago Road

WHEN

Ongoing through **November 22**, 2013

Click on "District 7" then "Los Angeles County," then "Route 5" and the "Date" desired.

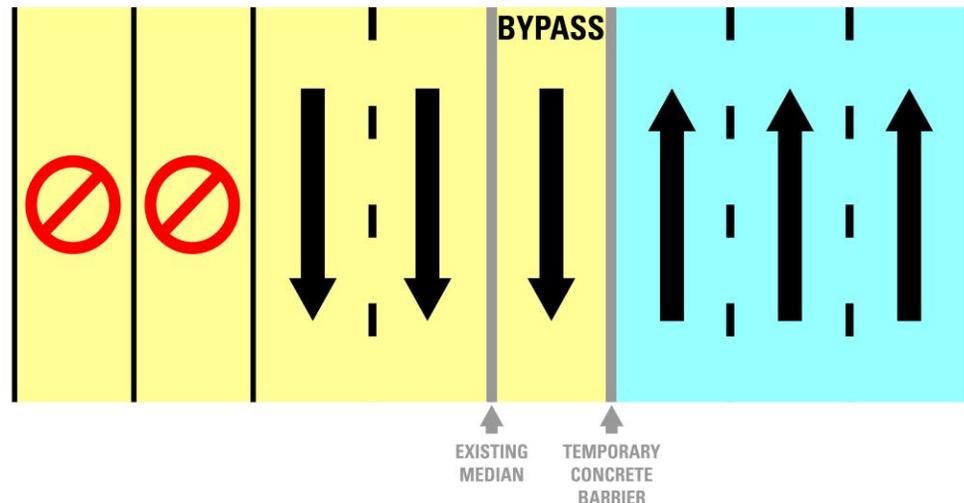

Free Towing and Roadside Assistance

Caltrans, in partnership with Metro, is providing **free towing and roadside assistance** through the Freeway Service Patrol (FSP) on I-5 in north Los Angeles County. FSP tow trucks will patrol both directions of I-5 between Vista Del Lago Road and Lebec Road in an effort to assist motorists with disabled vehicles, reduce congestion, prevent construction disruptions, and enhance safety.
