

Caltrans Construction Notice

I-5 EMPIRE PROJECT

June 3, 2014

Construction Activities for June 3-14, 2014

The I-5 Empire Project in Burbank will take about five years to complete. In the meantime, we want to keep you informed about current and upcoming construction operations related to the project and the expected impacts. See the chart below for construction activities for June 3-14, 2014. Visit I-5info.com for closure information.

| When* | Location | Work Performed | Expected Impacts† |
|--------------------------------------|---|--|---|
| June 2-4 NIGHT WORK | I-5 median barrier north of Scott Rd. | Demolition and removal of I-5 median barrier | Some noise and vibration expected, particularly in neighborhoods close to I-5. |
| June 2-6 DAY WORK | Victory Pl./Empire Ave. | Excavation to identify underground utilities | Minor noise; work is behind delineators (e.g., cones) or concrete barriers. |
| June 2-13 DAY WORK | San Fernando Bridge undercrossing (now closed) | Demolition of San Fernando Bridge | Some noise and vibration. |
| June 2-13 DAY WORK | Victory Pl. Bridge undercrossing at San Fernando (now closed) | Demolition of Victory Pl. Bridge | Some noise and vibration. |
| June 3-10 (tentative) DAY WORK | San Fernando between Victory Pl. and southbound Scott Rd. on-ramp | Removal of surfacing | Some noise but removal method will be quieter than method used last week; no noticeable vibrations. |
| June 6-13 DAY WORK | Victory Pl. north of Empire Ave. | Excavation to install utility lines | Minor noise; work is behind delineators (e.g., cones) or concrete barriers. |

*Day work usually means 9 a.m. to 3 p.m., though it will go longer for some operations. Night work usually means 10 p.m. to 5 a.m.

†Noise/vibration will not exceed maximum levels permitted by federal, state and local regulations.

► About the Project

The Empire Project is a series of improvements to I-5 in Burbank between Magnolia Boulevard and Buena Vista Street, including: carpool lanes, elevated railroad tracks, reconfigured ramps, a new interchange at Empire Avenue, widening of the Burbank Boulevard Bridge, and more. Information about the project is at I-5info.com.
